

"Assisted Living and Memory Care Excellence."

Legacy Lately

Welcome Jill Clements, Manager of Edencrest at The Legacy

I have been apart of the Edencrest Community since October and I am learning more and more about this growing company. I am very excited to be apart of such a great community, especially in Norwalk. I have over 8 years experience in working in Assisted Livings ranging from direct care roles to management roles. Being able to work with seniors has always been a passion of mine, and I look forward to continuing it in a growing community such as Norwalk.
