COMMUNITY CORNER

Happy Birthday!

Happy March!! This year is already flying by! Our community continues to grow, while keeping in mind our “family first” focus. We strive to assist our family members with their loved ones, going above and beyond with our cares and time spent with our residents. Our Activities Program has really ramped up with outings, increased participation, and variety. Our Culinary department caters around our resident’s desires, and our Nurse provides top notch care. We are a community that truly cares for everyone!

John, Betty, Jeri and Lauren

March will continue to bring an increased presence of Siena Hills into not only Ankeny, but the surrounding communities as well! Whether it be ribbon cuttings, lunch and learns, or general visits, you will see both myself and my Community Relations Coordinator out and about. Our goal is to show you how we are the best Assisted Living and Memory Care community in the area!

Consider Siena Hills as you plan for your future. We offer 24/7 move in availability, and our staff is always willing to assist! Stop in for a tour, receive a free meal, and see just how we can provide for you or your loved one. Our doors are always open!
