Legacy Lately

Legacy Lately

Opening month is finally here and we could not be more excited! This has been a long journey for the Norwalk community, Hubbell, Senior Housing, and Edencrest.

The signage is being placed, the furniture is in, and Hubbell is finishing the punch list items for the apartments. We are all ready for our residents to move in! Stop in and check out our new Community!

Music Speaks:

Our community is proud to have partnered with Music Speaks, a program that is intended to serve and educate communities on the research-based health profession of music therapy. The main goal of Music Speaks is to provide music therapy to enhance the health, function and well-being of each resident. As music is known as a universal language, the Music Speak's board of certified music therapists use the power of that language to improve communication both verbally and non-verbally. "Where words fail, music speaks".

**Live 2 B Healthy:**

Our community is proud to have partnered with Live 2 B Healthy to provide professional quality, Certified Personal Trainer led senior fitness classes.

By providing these classes, we are proudly announcing our commitment to improved quality of life for all of our residents. Live 2 B Healthy Trainers encourage residents to get active and improve their balance, strength, flexibility, and even their social lives. This program will be completed on-site and individually tailored. It will be taught by Nationally Certified Instructors and held several times weekly at our Community. Edencrest Communities is proud to offer the Live 2 B Healthy program to our residents at no cost!
